

Grandfather's clock

(大きな古時計)

Henry C. Work (1876)

^C My grandfather's clock was to large for the shelf,
^G So it stood ninety ^G years on the floor;
^C

^C It was taller by half than the old man himself,
^G Though it weighed not a pennyweight ^C more.

^C It was bought on the morn of the day that he was born,
^{Am} And was always his treasure and pride.
^{Dm7} ^{G7}
^{Em7} ^{Am} ^{Dm} ^{G7}

^C But it stopp'd short, ^G Never to go again,
^{C7} ^F
^C ^G ^C
When the old man died..

^C
Ninety years without slumbering

Tick, tock, tick, tock,

^C
His life seconds numbering,

Tick, tock, tick, tock

^C ^G ^{C7} ^F
It stopp'd short, Never to go again
^C ^G ^C
When the old man died.
